2018 COMMERCE CHARGERS RAFFLE TICKETS

Welcome to the 2018 Commerce Chargers! We are happy to see the new faces as well as the returning ones.

Enclosed are 30, five-dollar raffle tickets that your family is required to sell. Pursuant to the parent contract you signed at registration, you agreed to help your child fundraise at least \$150.00 for the Commerce Chargers in raffle tickets. Please note that any football player or cheerleader who has not met the raffle ticket requirement by **August 28th** will not be allowed to participate in any game until their fundraising requirement has been met. This fundraising is necessary to defer the costs of the renting the fields, equipment, uniforms, etc., and also helps keep the registration fees down.

All raffle ticket money and ticket stubs will be due no later than **August 28th** and can be turned in to your parent director or to Fundraising Director **Jill Ling**.

The raffle drawing will be held during halftime of the Junior Varsity Homecoming game.

Also note that there will be exclusive prizes for those children who sell above the required amount. The prizes will be based on additional \$50.00 increments, (\$200.00, \$250.00, etc.) and will be awarded at the banquet in November. All raffle money and ticket stubs must be turned in by **August 28th** to be eligible for these special prizes.

Sponsorships play a large role in our fundraising as well. We greatly appreciate the support of our local businesses. This year we continue to offer our families the option of bringing in a \$250 sponsor in lieu of selling one set of raffle tickets. Sponsorships must be in by **August 20th** to qualify. There are many different levels of sponsorships. If you know of anyone you think might be interested in being a sponsor and do not feel comfortable asking them please contact **Jill Ling**.

If you have any questions or concerns regarding the raffle or sponsorships, please feel free to contact **Jill Ling** at Ling_jill@yahoo.com or (248) 939-1705.
